Sport

Sports participation in school is associated with higher levels of wellbeing for young people. It also shows that participation in sport is a significant predictor of self-belief and mental toughness and the continued promotion of school sport throughout a child's time at school, up to and including during exams, should be encouraged. **HMC Report 2023**

Sports fixtures take place in timetabled Games sessions during the week as well as full block fixtures for each termly sport on Saturdays. We endeavour to put out A - D teams in the younger age groups, two per age group in the Middle School and at least two teams per sport at Senior level.

Pre-season training takes place in the days leading up to each new term.
